### DON'T MISS THIS !!

Reading & Book Signing  
Leslie Pearce-Keating's  
'Hannah's Memory Box'

Sat. Nov. 9th 2:00pm

Hannah wasn't like most dogs. She didn't live for fetching balls or chasing birds. Her great affection was with helping others: the elderly in nursing homes, dying family friends, children in bite prevention clinics, even little kids in pre-schools. But when death and serious illness confronted Hannah's own family, this beloved poodle showed the depth of her devotion. Part memoir, part dog chronicle, *Hannah's Memory Box* will take you inside the heart of the author and her canine.
